I M I S S you  
I M I S S you

And I never meant to hurt you  
I never meant to pull you down  
And I never meant to break you  
I really am sorry, I really am sorry

I made a big mistake lettin' you go  
I know now he ain't the one for me and never will be  
You're the only one I want, I need  
To respect you fully, I really am sorry

I miss you  
I miss you  
I want you back for good

I made a big mistake  
And shouldn't of cheated on you  
I'm so mistaken now  
And I think of all them times we were together

Gosh, I made myself look like a fool  
And I hope I didn't miss out on my true love  
I so stupid for thinkin' he was for me  
Now I know he wasn't, please will you take me back?

I miss you  
I miss you  
I want you back for good

Girl, don't give me that damn mouthwash  
I don't wanna hear ya talk no more, alright?  
I'm so sick of ya, I don't miss you at all no more

I don't miss you, I don't miss you  
Pretty face don't speak to me or give me that dribble  
Yeah, I'm over ya and moving on

I'm sorry, I'm sorry, I'm sorry  
I don't care, ya wastin' your time  
Please let me back in it was a mistake

No, no, no, not gonna happen

I miss you

I don't care your not coming back

I miss you

Too bad, you're not apart of ma life no more

I want you back for good
