Oh yeah
Yeah yeah

I've never been the jealous type,
I've never fought over a guy.
I never had
Competition amongst friends,
But something's going on,
(Something's goin' on)
And I can feel it

If she's just a friend
Why you're actin' like you're hidin' something
If she's just a friend
You know you can't keep no secrets
(She's) Gotta be more than that
Cause you're actin' all funny
I know something's goin' on.

I see the way she looks at you,
No I'm not actin' insecure,
But I see,
I see the way that you react
(You actin' all funny)
When she's around us
(When she's around)
You wanna bounce

If she's just a friend
Why you're actin' like you're hidin' something
If she's just a friend
You know you can't keep no secrets
(She's) Gotta be more than that
Cause you're actin' all funny
I know something's goin' on.

Yeah, yeah, yeah, yeah, yeah,

You should know me better
To think you can pull the wool over my eyes.

Hooooooo, hoo, hoo.

Yeah Yeah Yeah Yeah Yeah Yeah
(You're actin' all funny, you're actin' all funny)
Yeah Yeah Yeah Yeah Yeah Yeah

Hoooooooooooooh

If she's just a friend
Why you're actin' like you're hidin' something
If she's just a friend
You know you can't keep no secrets
(She's) Gotta be more than that
Cause you're actin' all funny
I know something's goin' on.

Yeah, yeah,

If she's just a friend
Why you're actin' like you're hidin' something
If she's just a friend
You know you can't keep no secrets
(She's) Gotta be more than that
Cause you're actin' all funny
I know something's goin' on.
