[Chorus:]

I'll be your love  
I'll never make you feel, feel alone  
If yesterday blindfolds your eyes  
I'll bring you tomorrow

[Verse 1:]

There's a time, you feel like your lost  
Feel the night will never end  
Through the daybreak  
It's hard to move on  
But there is tomorrow  
Brings you to your senses  
As the sun make it's way

You'll make it there  
To the place where reality and dreams,  
And love will be together  
I'll keep the light from fading  
If the clouds blind your way  
And the wind sways your faith

[Chorus:]

I'll be your love, I'll be your light  
I'll never make you feel, feel alone  
If yesterday blindfolds your eyes  
I'll bring you tomorrow

Let me see your smile

[Verse 2:]

Don't you cry  
Over the past  
Some days might be gray  
And dreary  
Not easy to leave

To leave it behind  
'Til the rain stops in silence  
I'll be there to hold your heart

I'll be with you

'Til you find the reason for love  
We take it for granted  
We'll keep the time from fading  
'Cuz the world is here to stay  
Your hope is deeper than pain

[Chorus:]

I'll be your love, I'll be your light  
I'll never make you feel, feel alone  
If yesterday blindfolds your eyes  
I'll bring you tomorrow

[Verse 3:]

If you would believe  
Believe in the world  
A vision of love  
And the strength inside your heart  
You'll find a way

[Chorus:]

I'll be your love, I'll be your light  
I'll never make you feel, feel alone  
If yesterday blindfolds your eyes  
I'll bring you tomorrow

I'll be your love, I'll be your light  
I'll never make you feel, feel alone
