love never falters, once it has spoken  
love is yours, once it has spoken  
love is yours

who knows when love begins  
who knows when makes a stop  
one day it's simply there  
alive inside your heart  
it slips into your heart, ... soul, takes you by surprise  
then seizes full control

try to deny it, try to protest  
but love won't let you go

once you've been possessed

love never dies, love never falters  
once it has spoken, love is yours  
love never fails, love never ...  
hearts may get broken, love endures  
hearts may get broken love endures

love never dies, love will ...  
love it's a meaning, when you're broken  
love never dies, ... is it ...  
life maybe be ... but love is all  
love is all.
