### "On My Side"

(feat. Akon)

Ahwww

Ahwww

(Konvict)

Sellin se selling me  
To think that I could leave you  
Sellin se selling me  
To think that I don't need you

Ahwww

How could I tell somebody what I've been feelling  
Looking to be and think that I'll be tripping  
But say what you want cuz baby that means nothing  
I play this game but now I'm tired of fighting

Who needs your love and I do  
Who needs your touch and your call when you caress  
and I do  
Nobody loves me like you  
And when I need and I fix nobody do it like you

Sometimes I gotta fight, just to get through it  
Think of little me  
That I could do (that you on my side)  
Sellin se selling me  
To think that I could leave you  
Sellin se selling me  
To think that I don't need you

I got to stop so I don't lose it  
Remember bout the stakes  
But I am closing (that you on my side)  
Sellin se selling me  
To think that I could leave you (on my side)  
Sellin se selling me  
To think that I don't need you

I'm not your bird without wing, I'm tryin to get higher  
Keep on my everything light this fire  
Wanna talk about you wanna be about you  
Oh cuz I get to live without you

Who needs your love and I do  
Who needs your touch and your call when you caress  
and I do  
Nobody loves me like you  
And when I need and I fix nobody do it like you

Sometimes I gotta fight, just to get through it  
Think of little me  
That I could do (that you on my side)  
Sellin se selling me  
To think that I could leave you  
Sellin se selling me  
To think that I don't need you

I got to stop so I don't lose it  
Remember bout the stakes  
But I am closing (that you on my side)  
Sellin se selling me  
To think that I could leave you (on my side)  
Sellin se selling me  
To think that I don't need you

*[Akon:]*

Dear God here's my letter  
Writing to you coz my life has gotten a lot better  
Got heart but I didnt sweat it coz I know you'll be there  
for me no matter the weather  
I just wanna say thanks for beeing there for me  
everyday  
And when I got taken away wanted to get away  
You made me stronger to continue the fight  
You made me give up the life I had on the streets  
Gets rough and I've been on the hold on  
Never questioned that you're the one that I call Lord  
And just wanna show you I appreciate  
Thank you for the rest no matter what it is

Sometimes I gotta fight, just to get through it  
Think of little me  
That I could do (that you on my side)  
Sellin se selling me  
To think that I could leave you  
Sellin se selling me  
To think that I don't need you

I got to stop so I don't lose it

Remember bout the stakes  
But I am closing (that you on my side)  
Sellin se selling me  
To think that I could leave you (on my side)  
Sellin se selling me  
To think that I don't need you

Sometimes I gotta fight, just to get through it  
Think of little me  
That I could do (that you on my side)  
Sellin se selling me  
To think that I could leave you  
Sellin se selling me  
To think that I don't need you

I got to stop so I don't lose it  
Remember bout the stakes  
But I am closing
