**(feat. Timbaland, Keri Hilson)**

*[Timbaland:]*

Let me into your life  
Gimme a minute  
Gimme the night  
I know a secret spot where we can hide  
I'll take you there if your willing to ride

*[Nicole:]*

Look around this place is no surprise  
I'm the girl and baby u the guy  
I got a body u can exercise  
Let's kick it up a notch to 99

*[Chorus:]*

Let's dance  
Let's get, physical  
Work your body like some cardio  
Let's dance  
Let's get, physical  
Let's get emotional and take off our cloths

*[Nicole:]*

Don't need the breakfast goin overdrive  
Thought the clock was goin overtime  
Have to throw it to you over right

Bet my money staying over night

Look around this place is no surprise  
I'm the girl and baby u the guy  
I got a body u can exercise  
Let's kick it up a notch to 99

*[Chorus:]*

Let's dance  
Let's get, physical  
Work your body like some cardio  
Let's dance  
Let's get, physical  
Let's get emotional and take off our cloths

Let's keep moving  
Don't you stop  
Cause we got to keep this place hot  
And u got to show me what you got  
Let's take it to the floor

*[Chorus: x2]*

Let's dance  
Let's get, physical  
Work your body like some cardio  
Let's dance  
Let's get, physical  
Let's get emotional and take off our cloths
