Huh, yeah

Baby (baby)

I know your not use to this type

But if you want to be in my life

Baby (baby)

Better treat me like the apple of your eye

I leave it up to you to decide you got those

Pretty brown eyes driving me wild

'Fresh to death' loose my breath

All the girls know my name

I got that good potential why could you credential

'Fresh to death' loose your breath

All the boys know my name:

S.E.X.Y Fresh

Yeah I'm so fly

On the phone get you on like u never heard about

So what you worried about and what you scared about

S.E.X.Y Fresh

What you talking about

Sexy, sexy oh

So sexy, sexy oh

You sexy, sexy

What you talking about

Sexy, sexy oh

So sexy, sexy oh

You sexy, sexy

So what you talking about

Now baby (babe)

You better love me like u love your favourite song

Wanna hear my voice everytime I'm gone

Baby (babe)

If you like them heels then Imma put them on

You like that dress then I'm a keep it on

Cause them pretty brown eyes driving me wild

'Fresh to death' loose my breath

All the girls know my name

I got that good potential why could you credential

'Fresh to death' loose your breath
