You know I need a super villain  
Just like Mad Scientist

I just want bad man alone  
I just want bad man alone  
I just want bad man alone  
I just want bad man alone

I just want bad man alone  
I just want bad man alone  
I just want bad man alone

Right about now, now!

Don't want a man who flies  
Wears a cape or tights cause see  
That ain't my kinda guy  
No that ain't my cup of tea  
Dark hoodies and jeans on  
A swagger so mean on  
You know what I mean  
(I just want bad man alone)

Though, I know they're bad for my soul  
Oh, I just can't leave 'em alone  
(I just want bad man alone)  
See the heroes were never my type  
I need the boys with the kryptonite tonight

I need a super villain to come and rescue me  
A villain, cause nice guys, they can't save me  
That's why I need a super villain to come and rescue  
me  
A villain, cause bad boys they drive me crazy

I want him super, super bad  
Super bad  
Super super bad  
Super super bad  
Super bad  
Super super bad

I want him super, super bad  
Super bad  
Super super bad  
Bad boys driving me crazy  
Super bad, bad

Oh, so you can try to save me from love  
But I'd rather rock his chains and handcuffs  
Make me his prisoner - er, er

Don't wanna be Louis and Clark  
I wanna be Bonnie and Clyde  
Cause I ride or die  
(I just want bad man alone)

Although, I know they're bad for my soul  
Oh, I just can't leave 'em alone  
And see the good boys aren't my type  
I like them boys from the dark side

I need a super villain to come and rescue me  
A villain, cause nice guys, they can't save me  
That's why I need a super villain to come and rescue  
me  
A villain, cause bad boys they drive me crazy

I want him super, super bad  
Super bad  
Super super bad  
Super super bad  
Super bad  
Super super bad

I want him super, super bad  
Super bad  
Super super bad  
Bad boys driving me crazy  
Super bad, bad  
Oh!

(Jamaican slang)  
Bad man! Bad man!  
Dis one ya fi a wha' gwan  
Light up! Light up!  
Everybody lemme see you light up!  
Hike up! Hike up!  
Dis one 'ere again hike up!  
Bad man! Bad man!  
May-day, day, day, day, daaay!

I need a super villain to come and rescue me

A villain, cause nice guys, they can't save me  
That's why I need a super villain to come and rescue  
me  
A villain, cause bad boys they drive me crazy

I want him super, super bad  
Super bad  
Super super bad  
Super super bad  
Super bad  
Super super bad

I want him super, super bad  
Super bad  
Super super bad  
Bad boys're driving me crazy  
Super bad, bad

I want him super, super bad  
Super bad  
Super super bad  
Super super bad  
Super bad  
Super super bad

I want him super, super bad  
Super bad  
Super super bad  
Bad boys're driving me crazy  
Super bad, bad

I just want bad man alone  
I just want bad man alone  
I just want bad man alone  
I just want bad man alone

I just want bad man alone  
I just want bad man alone  
I just want bad man alone
