You know I need a super villain
Just like Mad Scientist

I just want batman alone
I just want batman alone
I just want batman alone
I just want batman alone

I just want batman alone
I just want batman alone
I just want batman alone

Don't wanna man that flies
'Cause his cape....to see
That ain't my kinda guy
no they ain't my cup of tea
Dark hoodies and jeans on
A Swagger, so mean
Oh, you know what I mean
(I just want bat man alone)

Though, I know they're bad for my soul
Oh, I just can't leave ?em alone
(I just want bad man alone)
See the heroes were never my type
I need the boys with the kryptonite, tonight

I need a super villain to come and rescue me
I'm feeling these nice guys they cant save me
That's why I need a super villain to come and rescue
me
I'm feeling these bad boys they driving me crazy

I want him super, super bad
Super bad
Super super bad
Super super bad
Super bad
Super super bad

I want him super, super bad
Super bad

Super super bad
Bad boys're driving me crazy
Super bad, bad

Oh, so you can try to save me from love
But I rather wear these chains and handcuffs
Make me his prisoner
Er, er.

Dont wanna be Lois and Clark
I Wanna be Bonnie and Clyde
Cause I ride or die

Although, I know they're bad for my soul
Oh I just cant leave ?em alone
And see the good boys aren't my type
I like them boys from the dark side

I need a super villain to come and rescue me
I'm feeling these nice guys they cant save me
That's why I need a super villain to come and rescue
me
I'm feeling these bad boys they driving me crazy

I want him super, super bad
Super bad
Super super bad
Super super bad
Super bad
Super super bad

I want him super, super bad
Super bad
Super super bad
Bad boys're driving me crazy
Super bad, bad
Oh!

I need a super villain to come and rescue me
I'm feeling these nice guys they cant save me
That's why I need a super villain to come and rescue
me
I'm feeling these bad boys they driving me crazy

I want him super, super bad
Super bad
Super super bad
Super super bad
Super bad
Super super bad

I want him super, super bad
Super bad
Super super bad
Bad boys're driving me crazy
Super bad, bad

I want him super, super bad
Super bad
Super super bad
Super super bad
Super bad
Super super bad

I want him super, super bad
Super bad
Super super bad
Bad boys're driving me crazy
Super bad, bad

I just want batman alone
I just want batman alone
I just want batman alone
I just want batman alone

I just want batman alone
I just want batman alone
I just want batman alone
