You know I need a super villain
Just like Mad Scientist

I just want bad man alone
I just want bad man alone
I just want bad man alone
I just want bad man alone

I just want bad man alone
I just want bad man alone
I just want bad man alone

Hey, although, no, no

Don't want a man who flies
Wears a cape or tights cuz' see
They're my kinda guy
No that ain't my cup of tea

Dark cuddies and jeans on
A swagger so mean
Oh, you know what I mean
(I just want bad man alone)

Though I know they're bad for my soul
Oh, I just can't leave 'em alone
(I just want bad man alone)
See the heroes were never my type
I need them boys with the kryptonite, tonight

I need a super villain to come and rescue me
I'm feeling this right 'cause they can save me
That's why I need a super villain to come and rescue
me
I'm feeling this right, these bad boys
They're driving me crazy

I want him super, super bad
Super bad
Super, super bad
Super, super bad
Super bad

Super, super bad

I want him super, super bad
Super bad
Super, super bad
Bad boys driving me crazy
Super bad, bad

Oh, so you can try to save me from love
But I rather have his chains and handcuffs
Make me his prisoner, er, er
So, I wanna be Louis and Clark
I wanna be Bonnie and Clyde
'Cause I ride or die

Although, I know they're bad for my soul
Oh, I just cant leave 'em alone
And see the good boys aren't my type
I like them boys from the dark side

I need a super villain to come and rescue me
I'm feeling this right 'cause they can save me
That's why I need a super villain to come and rescue
me
I'm feeling this right, these bad boys
They're driving me crazy

I want him super, super bad
Super bad
Super, super bad
Super, super bad
Super bad
Super, super bad
(You know I need a super bad)

I want him super, super bad
Super bad
Super, super bad
Bad boys driving me crazy
Super bad, bad, oh

I need a super villain to come and rescue me
I'm feeling this right 'cause they can save me
That's why I need a super villain to come and rescue
me
I'm feeling this right, these bad boys
They're driving me crazy

I want him super, super bad
Super bad
Super, super bad

Super, super bad
Super bad
Super, super bad

I want him super, super bad
Super bad
Super, super bad
Bad boys driving me crazy
Super bad, bad

I want him super, super bad
Super bad
Super, super bad
Super, super bad
Super bad
Super, super bad
(I want him super bad)

I want him super, super bad
Super bad
Super, super bad
Bad boys driving me crazy
Super bad, bad

I just want bad man alone
I just want bad man alone
I just want bad man alone
I just want bad man alone

I just want bad man alone
I just want bad man alone
I just want bad man alone
