(Spoken:)

Talk to me boy

Look I wanna have a word wit you

(Sung:)

Why'd ya decide to cheat ya came sinking under ma  
feet and it aint fair I thought you were there I thought  
you cared you wished me well, well go to hell coz  
you're never comin' near me again  
you sweet talkin boy, ya had my heart but that aint no  
more so get outta the door

Talk, Talk,

honeslty say you dont feel that way

Say It, Say It

now I know the truth that your no longer into me.

Shut Up, Shut Up,

I dont wanna hear what ya gotta say now ya caused me  
to drown you broke ma heart fully, rippin' tore it apart.

you lie you hide you talk to walk.

(talkin' to me now)

Now that I'm on my feet I'm really broken inside I'll try  
to smile but all the while ma head got all these  
questions just waitin for you, ya lied to my face told me  
you were going to the footy match when really you  
were with her ya cheat ya cheater.

get what you got I'ma kickin you out of here you dont  
belong no more so walk out the door

Talk, Talk,

honeslty say you dont feel that way

Say It, Say It

now I know the truth that your no longer into me.

Shut Up, Shut Up,

I dont wanna hear what ya gotta say now ya caused me  
to drown you broke ma heart fully, rippin' tore it apart.

you lie you hide you talk to walk.

(talkin' to me now)

Ma sweets, ma babe. you no longer in my arms, dont it

hurt to know you'll never, ever get me back?

Talk, Talk,  
honestly say you don't feel that way  
Say It, Say It  
now I know the truth that you're no longer into me.  
Shut Up, Shut Up,  
I don't wanna hear what you gotta say now you caused me  
to drown you broke my heart fully, ripping it apart.  
you lie you hide you talk to walk.  
(talkin' to me now)
