I won't tell you, I won't let you see
What she mean, cause you mean everything
When you're there i'm scared of the way I feel
I don't want to be so vulnerable
So I act like I don't care at all
But it won't mean nothing without you
It's the truth
Trust me I lie

When I say I don't need you
When I say I'll be alright
If I have to be without you
Trust me I lie
When I say I don't love you
And you're the last thing on my mind
Baby you can trust me
Trust me i...
Trust me I lie
Woah woah woah

You're telling me sometimes I turn away
Cuz i'm afraid of what my eyes might say
I told you to see what I really feel
So I keep up
I can act so tough
So you never know I care so much
But I don't care about nothing else but you
It's the truth
Trust me I lie

When I say I don't need you
When I say I'll be alright
If I have to be without you
Trust me I lie
When I say I don't love you
And you're the last thing on my mind
Baby you can trust me
Trust me i...

I lie
When I tell you I don't care
Lie

I'm just afraid
Please don't believe one word I say
Trust me I lie

When I say I don't need you
When I say I'll be alright
If I have to be without you
Trust me I lie
When I say I don't love you
And you're the last thing on my mind
Baby you can trust me
Trust me i...

I lie, baby I lie
Baby I lie
I lie
Trust me I lie

Ooooh ooooh
Trust I lie
