Don't know what it is
That makes me love you so
I only know I never
Wanna let you go

Cause you started something
Oh, can't you see
And ever since we met
You've had a hold on me
I happens to be true
I only want to be with you

It doesn't matter where
You go or what you do
I wanna spend each morning
Night and day with you

Oh, look what has happened
With just one kiss
I never knew that I could
Be in love like this
It's crazy but it's true
I only want to be with you

You stopped and smiled at me
And asked if I cared to dance
I fell into your open arms
And I didn't stand a chance

Now, listen, honey
I just wanna be
Beside you everywhere
As long as we're together
Honey, I don't care

Cause you started something
Oh, can't you see
And ever since we met
You've had a hold on me
No matter what you do
I only want to be with you

Oh, you stopped and smiled at me
And asked if I cared to dance
I fell into your open arms
And I didn't stand a chance

Now, listen, honey
I just wanna be
Beside you everywhere
As long as we're together
Honey, I don't care

Cause you started something
Oh, can't you see
And ever since we met
You've had a hold on me
No matter what you do
I only want to be with you

Oh, no matter
No matter what you do
I only want to be with you

I only want to be with you
Oh, oh, oh, oh
I only want to be with you
