They should've named you cocaine
Your all in my brain
Drivin' me insane
They should've named you cocaine

[Chorus]:

Cause everytime I hold you honey
I get so high and blow all my money
But I can't complain
Cause I'm feelin' no pain
They should've named you cocaine

Got me writin' all these songs
Stayin' up all night long
Like a fast movin train
They should've named you cocaine

[Chorus]:

Cause everytime I hold you honey
I get so high and blow all my money
But I can't complain
Cause I'm feelin no pain
They should've named you cocaine

[Instrumental Break]:

[Chorus]:

Cause everytime I hold you honey
I get so high and blow all my money
But I can't complain
Cause I'm feelin no pain
They should've named you cocaine

I'm feelin no pain
They should've named you cocaine
