You are the Destructors!  
Instruments in the hands of  
He Who Slays and Eats!

In the age of materialism and disbelief  
the Satanic empire is growing stronger.  
Linked with the power of darkness and death  
the humanity is changing the world!

There is no need for sacrifices.  
There is no need for faith.  
In these days you are making history,  
-writing your own obituaries!

Swallowing the light!  
Swallowing all life!  
Always waiting.  
Swallowing the light!  
Swallowing all life!  
Black Hole Mystery!  
Swallowing the light!  
Swallowing all life!  
Always waiting.]

In the world of ghosts and the supernatural,  
searching for the truth,  
masses of people are finding a new direction,  
brainwashed, moving towards the certain death!

Swallowing the light (repeat)

You are the Destructors!  
Warriors without a soul.  
You are the Destructors!  
Instruments in the hands of  
He Who Slays and Eats!

In the world of endless wars, suffering an death,  
you The Destructors are all going to die!  
You will never understand, you will never know.  
In the name of Satan you are opening the Gate!

...and I will live forever!

Swallowing the light (repeat)
