Deep in the woods.  
In a dark and mysterious world.  
There I saw her.  
and I felt her attraction.

No one could stop me  
from meeting her there.  
No one could tell me  
what else I should have done.  
Bewitched by the moonlight  
and her beauty.  
I was entering the twilight zone.

Far away.  
like in a delirious dream.  
By the small black lake.  
there I saw her.  
and I felt her attraction.

I was getting  
closer to her.  
I tried to touch her  
and kiss her lips.  
My strong desire  
was the only thing I could feel.

At first I was crying  
when I saw her rotting corpse.  
I couldn't take  
my eyes away from her.  
Then she smiled  
and I could still see her beauty.

I gave her what she needed.  
She was drinking my blood.  
I gave her everything.  
I lost my former life.  
Together we're gonna live forever!

I'm living in the twilight zone!

Bewitched by the moonlight  
and her beauty.  
I'm living in the twilight zone!
