Existence  
detached from your world  
Desirous wishes  
of love and pain

Inhuman

Darkness  
Vague dreams  
Sweet sorrow  
Unspeakable aliveness

In your blood  
In your veins  
Mighty alien race

Without eyes  
watching the emptiness  
It's getting closer  
to you

Invulnerable

You've heard  
the fluttering wings  
Revelations in black  
Your gift of grace

In your blood  
In your veins  
Mighty alien race  
In your blood  
In your veins  
Mighty alien race

As predicted  
The forever indomitable  
Infamous being

Revelations in black  
You gift of grace
