They know that you are wondering,
but they cant give you any answers.
Blinded by the words of their holy god
they believe that you are insane.

You are feeling lonely, but you are not alone.
You are feeling weak, but you dont know.

So much sorrow. So much hate. For what reason?

You are feeling scared, but you will soon understand.
You are someone special, but you dont know.

A diabolical possession?
The hypocritical priests
are filling your head with lies.
Afraid of the truth;
afraid of loosing control
they are hiding their weakness behind
empty words.

From the shadows. From the deep of your soul
you are finding a reason to live.

Its not supposed to be easy, but you have no choice
if you want to realise your dreams.

By following your path you are becoming a scapegoat
in a world on its way to damnation.

They do call you a traitor.
They do call you their enemy.
In their eyes you are nothing
but a threat to their society.

Tell no lies! Thats what youve always heard.
In God we trust! Its just a parody!

Nameless fear. Anxiety. What lies behind?

Tell no lies! Words in a world of liars.

Open your eyes and you will see!
Heard about the blind leading the blind?

So much sorrow. So much hate.
For what reason?

Nameless fear. Anxiety. What lies behind?
