Were like a warhead!  
A deadly warhead!  
Remember warhead!  
Warhead! Warhead! [2x]

Memories from another time,  
- apocalyptical rites.  
In our dreams theyre still alive,  
- all these unholy nights.

Warhead 666! [2x]

The answers lie in our hearts,  
- we know that we are  
going to conquer the whole world  
under the Black Star!!

We dont need the believers  
of God!  
Cut out their living hearts,  
and drink their blood!

Warhead 666! [2x]

The eternal flame of power  
is shining brighter!

We are the Chosen Ones,  
- the Angels of Death!  
Christians; - You will soon take  
your last breath!

Were like a warhead!  
A deadly warhead!  
Remember warhead!  
Warhead! Warhead! [2x]

Hail Satan!

Were like a warhead!  
A deadly warhead!

Remember warhead!  
Warhead! Warhead! [2x]
