Blessed land  
Holy sand  
But I'm sailing through the air

Lost my  
Immortality  
I entered dragon's lair

Silent screams  
In my ears  
They're crying out with pain

Blinded eyes  
Stare at me  
Tears falling like the rain

When I'm walking a dark road  
I'm a man who walks alone  
Trying to handle it on my own  
While I'm trying to move on  
Without freedom!

Emptiness  
Is eating up  
The essence of my mind

Questions dashing  
Through my head  
But they can't be replied

Senses dull  
The yearning's strong  
There has to be a way

Leading out  
Of Ignorance  
Into salvation's ray

When I'm walking a dark road  
I'm a man who walks alone  
Trying to handle it on my own  
While I'm trying to move on

Without freedom!

Nevermore  
Like before  
I'm going back to my roots

Heading to  
Eternity  
I'm searching for the truth

Beyond deception  
Behind seduction  
There's a light you can see

That has the power  
To heal your wounds  
You just have to agree

When I'm walking a dark road  
I'm a man who finds the way he sought  
Cause that light shines so bright and even breaks  
through the night  
Don't you know it was always by your side?  
To bring freedom!
