As time goes by, I learned that myspace is a great responsibility.
And I realize all the things I haven't done affect all the people around me.
So I wanted to take this time out and apologize for things I haven't done and things that didn't occur yet.
And things I don't want to take responsibility for.

Verse 1

I'm sorry that my friend request have grown
Takes about an hour to approve em alone
I'm sorry for the times that I had to go
You were online and I did not know
That you were at home just waiting for me
To respond to every message and comment I see
I'm sorry for the times I would neglect
I'm sorry for the times that I did not check
I'm sorry for the things I haven't done
I'm a ninja, gangstah, emo, nerd, asian
I'm sorry that I'm busy and always away
I got a lot to do, what more can I say
Cuz I'm doing homework like everyday
I'm sorry that I had to write that fricken essay
I know I didn't take all your request
Like how to be gay or how to be a prep

Bridge

I understand that you get pissed off
And it's not your fault, I know
All the hate mail I get from you
Just because I respond too slow
I should apologize for singing this song
It sucks and makes a fool out of me
I would respond to you right now
But I'd forget cuz my A.D.D.

Chorus

You can blame my A.D.D.
For me being so busy

It's not that I am lazy
It's just cuz my A.D.D.
Said you can blame my A.D.D.
For me being so busy
It's not that I am lazy
It's just cuz my A.D.D.
