(Chorus)

Nice guys finish last that's,
Why I treat you like trash it's,
Not what I really wanna do...
But...

You only date bad guys so,
I'll give it my best try to,
Treat you the way you want me to...

(Verse 1)

I never open the door,
Or pull out the chair,
You can tell me how your day was,
But I don't really care.
And if you ever get cold,
You just have to hang it,
'Cause I'll be cold too,
If I gave you my jacket.
Like, whoa (whoa),
Why you sitting in the front?
Front is for the homiest,
You could sit in the trunk.
I never answer my phone,
Whenever you call it,
And when the waiter brings the bill,
I never reach for my wallet.

(Chorus)

Nice guys finish last that's,
Why I treat you like trash it's,
Not what I really wanna do...
But...

You only date bad guys so,
I'll give it my best try to,
Treat you the way you want me to...

(Verse 2)

I will beat you!
In every competition,

When you go out with the girls,
You better get my permission.
Wait, whoa...
I take that back you can't go.
House starts tonight
And that's my favorite show!
(Girl) Do I look fat in this dress?
Hell yeah you do!
But I don't speak your language,
Cows go moo! (moo! x4)

(Chorus)
Nice guys finish last that's,
Why I treat you like trash it's,
Not what I really wanna do...
But...

You only date bad guys so,
I'll give it my best try to,
Treat you the way you want me to...

(Bridge)
But behind the scene,
She means the world to me.
I wanna tell her that she's beautiful,
And show that she's loved.

Hold her hand if she's scared,
To tell her how much I care.
But that won't win her heart...
Because...

(Chorus)
Nice guys finish last that's,
Why I treat you like trash it's,
Not what I really wanna do...
But...

You only date bad guys so,
I'll give it my best try to,
Treat you the way you want me to...
