Chorus (x2)

OH EM GEE

You can't see me

I'm blending in just like a pine tree

I am unseen, You can't see me cuz

I'm a ninja, nin, ninja, ninja, nin, ninja.

Verse 1

Hey, can't see me

Am I a bird or am I a tree?

What's flying so high in the ayer (ayer)?

I'm a ninja don't stare (stare)

Fast like the witch is Blair (Blair)

I bet you don't even care

Here I go, there I go, this is my song

Being ninja you gotta be strong

Most of us found in Hong Kong

Where is my automobile now Dong?

Catching everything with my chopstick

Making loud noises with every hit

Moving unseen so fast so quick

I bet you wish you had all my ninja tricks

OH EM ... GEE

Be a Ninja like me

Just watch me now and you will see!

Chorus (x2)

OH EM GEE

You can't see me

I'm blending in just like a pine tree

I am unseen, You can't see me cuz

I'm a ninja, nin, ninja, ninja.

Verse 2

Hey were dressed in black

Just like emos except for the fact

We don't stab ourselves, we stab your back

Its just our way to sneak attack

We see you coming cuz we have wall hacks

Don't come near us or we'll give you slap

And no sense in running cuz we set up a trap.

Here comes the slow motion... C C C CRAP!

Run like me

Hide like me
Don't forget your fatality
Dance like a ninja in the club
Even though you'll look just like a scrub
Watch this vid learn something rare (rare)
This move looks like a square (square)
Just throw your hands in the air (air)
Follow me, do the Ninja Glare!
Chorus (x2)
OH EM GEE
You can't see me
I'm blending in just like a pine tree
I am unseen, You can't see me cuz
I'm a ninja, nin, ninja, ninja, nin, ninja.
