(chorus)

Here it comes,
can't you see,
that we're tough guys, and we have feelings.
take my hand,
close your eyes,
with you right here, Im a shed a tear and

cry,
dont be afraid to cry,
you can still be a manly guy.
just cry,
dont be afraid to cry,
let it free fall from your eyes

(verse)

wake up, see a sunrise,
let it free fall from your eyes.
start my day, and I read a sunny,
got a soft cheek with a tear on it.
step out and the skies are clear,
I'm a man, and I have no fear.
take a step, and I land in crap,
I let it out, no holding back

(chorus)

Here it comes,
can't you see,
that we're tough guys, and we have feelings.
take my hand,
close your eyes,
with you right here, i might shed a tear and

cry,
dont be afraid to cry,

you can still be a manly guy.
just cry,
dont be afraid to cry,
let it free fall from your eyes

(verse)

baby, we can go out on a first date,
but you come and pick me up half an hour late.
now I'm not gonna lie, that you almost made me cry,
but I'm a masculin guy, I'll be okay, yeah.
your place, toy story 3
the greatest all time kids movie,
but I forgot, Andy leaves Woody,
and now the tears are coming right back over me

(chorus)

Here it comes,
can't you see,
that we're tough guys, and we have feelings.
take my hand,
close your eyes,
with you right here, i might shed a tear and

cry,
dont be afraid to cry,
you can still be a manly guy.
just cry,
dont be afraid to cry,
let it free fall from your eyes
