Down in the village streets  
The air is full of wonder  
Fair smiles greet  
The crowning of the king...  
Come hither, gather round  
A joyous time's upon us  
Trumpets sound  
The crowning of the king...

Fast away the olde  
Time too quickly passes  
Shine the light of new  
For the crowning of the king...  
Come forth those who wish  
For change and change becoming  
Welcome with every breath  
The crowning of the king...

Sweet is the hour and sweeter still  
The time we spend together  
Celebrate the noble will  
The crowning of the king...  
To sing and dance and sing again  
With honor and with splendour  
All from far and near -  
see the crowning of the king!

Step to the dance of hope  
Of courtly wiles and pleasure  
As the star of mom  
Shines brightly for the king...

Pray thee lift the veil  
From those who came before us  
Merriment will prevail  
For the crowning of the king...

Sweet is the hour and sweeter still  
The time we spend together  
Celebrate the noble will  
The crowning of the king...

To sing and dance and sing again  
With honor and with splendour  
All from far and near -  
see the crowning of the king!

Jesters spin and play  
The laughter sounds like music  
What a perfect day  
For the crowning of the king...

Here in the village streets  
The air is full of wonder  
Fair smiles greet the crowning of the king...  
Come and see the crowning of the king!
