I stood out here once before
With my head held in my hands
For all that I had known of this place
I could never understandÂ...
On the hills the fires burned at midnight
Superstition plagued the air
Sparks fly as the fires burn at midnight
The stars are out and magic is hereÂ...

I wished the seven sisters
Bring to me wisdom of the age
All that's locked within the book of secrets
I longed for the knowledge of the sageÂ...

On the hills the fires burned at midnight
Superstition plagued the air
Sparks fly as the fires burn at midnight
Stars are out the magic is here
The stars are out the magic is hereÂ...

So, the sisters smiled to themselves
And they whispered as they shone
And it was from that very instant
I knew I would never be aloneÂ...

While on the hills
The fires burned at midnight
Superstition plagued the air
Sparks fly as the fires burned at midnight
Stars are out and magic is here
The stars are out and the magic is hereÂ...
Many stars were forgotten
Many faded and became ghosts
Still my sisters glittered down from heaven
Always there when I needed them mostÂ...

And on the hills the fires burned at midnight
Superstition plagued the air
Sparks fly as the fires burn at midnight
Stars are out and magic is here
The stars are out and magic is hereÂ...

I stood here once before
With my head in my hands
For all that I had known of this place
I could never understand

On the hills the fires burned at midnight
Superstition plagued the air
Sparks fly as the fires burn at midnight
Stars are out and magic is here
Stars are out and magic is here
Stars are out and magic is here
Stars are out and magic is here
