Alas, my love, you do me wrong,  
To cast me off discourteously.  
For I have loved you for so long,  
Delighting in your company.

Greensleeves was all my joy  
Greensleeves was my delight,  
Greensleeves was my heart of gold,  
And who but my lady greensleeves.

Alas, my love, you do me wrong,  
To cast me off discourteously.  
For I have loved you for so long,  
Delighting in your company.

Greensleeves was all my joy  
Greensleeves was my delight,  
Greensleeves was my heart of gold,  
And who but my lady greensleeves.
