I called your name out loud in the courtyard,  
The crystal I held was like an old friend  
The vines crawled the walls  
The wind held its breath  
But the answer I longed for never came...

Your name, they had said,  
was cursed beyond measure,  
The families at odds fought with poisoned tongues  
And yet through the dark  
Of blind, bitter hate,  
Broke a glittering light of two lover's fate...

Walls built between us,  
Miles separate us,  
Yet in our hearts, we share the same dream...  
Feelings so strong,  
We just must carry on,  
On to our Magical World...

Destiny called them like a silver poem  
They followed the dance 'till the music died out...  
Last time they met was on an earth bed  
Both knowing they'd meet again in the light...

Walls built between us,  
Miles separate us,  
Yet in our hearts, we share the same dream...  
Feelings so strong,  
We just must carry on,  
On to our Magical World...

In our Magical World.. In our Magical World...

Fear not, dear Juliet, your Romeo's calling  
He's waiting for you at the end of the song,  
This world was too cruel... for lovers like you,  
But here in our hearts you'll always live on...
