In the shadow of the moon,  
She danced in the starlight  
Whispering a haunting tune  
To the night...

Velvet skirts spun 'round and 'round  
Fire in her stare  
In the woods without a sound  
No one cared...

Through the darkened fields entranced,  
Music made her poor heart dance,  
Thinking of a lost romance...  
Long ago...

Feeling lonely, feeling sad,  
She cried in the moonlight.  
Driven by a world gone mad  
She took flight...

"Feel no sorrow, feel no pain,  
Feel no hurt, there's nothing gained...  
Only love will then remain,"  
She would say.

Shadow of the Moon... Shadow of the Moon...  
Shadow of the Moon... Shadow of the Moon...

Through the darkened fields entranced,  
Music made her poor heart dance,  
Thinking of a lost romance...  
Long ago...

Somewhere just beyond the mist  
Spirits were seen flying  
As the lightning led her way  
Through the dark...

In the shadow of the moon,  
She danced in the starlight  
Whispering a haunting tune  
To the night...

Shadow of the Moon... Shadow of the Moon...  
Shadow of the Moon... Shadow of the Moon...
