Wish you were here...
Me, oh, my countryman,
Wish you were here...

I wish you were here...
Don't you know, the snow is getting colder,
And I miss you like hell,
And I'm feeling blue...

I've got feelings for you,
Do you still feel the same?
From the first time I laid my eyes on you,
I felt joy of living,
I saw heaven in your eyes...
In your eyes...

Wish you were here,
Me, oh, my countryman,
Wish you were here...

I wish you were here...
Don't you know, the snow is getting colder,
And I miss you like hell...
And I'm feeling blue...

I miss your laugh, I miss your smile,
I miss everything about you...
Every second's like a minute,
Every minute's like a day
When you're far away...

The snow is getting colder, baby,
And I wish you were here...
A battlefield of love and fear,
And I wish you were here...

I've got feelings for you,
From the first time I laid my eyes on you...
your company...

Wish you were here...

Wish you were here...

(Wish you were here...)

I wish you were here...
