Now and again I've got a lot to say
And I can't afford you this one
Oh yeah, she asks me where I'm going
Now and again I'll find a friend who knows
She asks me where I'm going
Oh yeah, she asks me where I'm going
Well if you're always saying that
Baby don't sweat
I'm probably so hard to find
I'll never forget
I'm always in debt
Baby you opened my mind

Now and again I've got a lot to say
And I can't afford you this one
Oh yeah, she asks me where I'm going
Now and again I'll find a friend who knows
She asks me where I'm going
Oh yeah, she asks me where I'm going

Well if you're always saying that
Baby don't sweat
I'm probably so hard to find
I'll never forget you
I'm always in debt to you
Baby you opened my mind

Well if you're always saying that
Baby don't sweat
I'm probably so hard to find
I'll never forget you
I'm always in debt to you
Baby you opened my mind

Now and again I've got a lot to say
And I can't afford you this one
Oh yeah, she asks me where I'm going
Now and again I find a friend who knows
She asks me where I'm going
Oh yeah, she asks me where I'm going
