I'm a realist
I'm a romantic
I'm an indecisive (I'm an indecisive)
Piece of shit

I'm a realist
I'm a romantic
I am indecisive (I am indecisive)
And that's about it

And you dream that's the same thing
That's the same life you lead
I don't agree and so you drink
Don't wanna think
That's cos your mind is already made up

I'm a realist
I'm a romantic
I'm an indecisive (I'm an indecisive)
Piece of shit

I admit it
I'm up to my old tricks
Did you see her eyes (Oh no I tried)
She looked suprised

And you dream that's the same thing
That's the same life you lead
I don't agree and so you drink
Don't wanna think
That's cos your mind is already made up

And you dream that's the same thing
That's the same life you lead
I don't agree and so you drink
Don't wanna think
That's cos your mind is already made up

No!

I know it's only a matter of time
Before you know it I'll be leaving town

See it in my eyes
That no one will do
No one will ever do

I know it's only a matter of time
Before you know it I'll be leaving town
See it in your eyes
That no one will do, no one will ever do for you.
