This is me talking about you

I, I, I, I can't find time for her, oh no
I, I, I, I can't find time for her, oh no
And I, I, I, I can't find time for her, oh no
I, I, I, I can't find time for her, oh no

Because of M.T.
Because of M.T.V, oh no
Because I'm empty
Because of M.T.V, oh no, ah

I, I, I, I can't find time for her, oh no
I, I, I, I can't find time for her, oh no
Because of M.T.
Because of M.T.V, oh no
Because I'm empty
Because of M.T.V, oh no

Because of M.T.
Because of M.T.V, oh no
Because of M.T.
Because of M.T.V, oh no

I, I, I, I can't find time for her, oh no
I, I, I, I can't find time for her, oh no

Because of M.T.
Because of M.T.V, oh no
Because I'm empty
Because of M.T.V, oh no

Because of M.T.
Because of M.T.V, oh no
Because I'm empty
Because of M.T.V, oh no
