In the radius of a thousand miles  
I find it strange no one makes me smile  
Oh, oh, oh, oh, oh

You should understand  
You still have to try  
When we're all the same  
I was almost right  
Oh, oh, oh, oh, oh

And evening comes and I feel no different  
Sorry, my friend I just can't do nothing  
Evening comes and I feel no different  
Sorry, my friend I just can't do nothing

In the radius of a thousand miles  
You find it strange no one makes me smile  
Oh, oh, oh, oh, oh  
You should understand  
You still have to try  
We're not all the same  
I was almost right  
Oh, oh, oh, oh, oh

And see those guys  
I guess they're quite clever  
Get you on side  
Women's needs, whatever

See those guys  
They think they're so clever  
Spot them on site  
Women's needs, whatever

And evening comes  
And I feel no better  
It's closing time  
Women's needs, whatever

Evening comes  
And I feel no better  
It's closing time

Women's needs, whatever

Ah, ah, ah, ah, ah

Oh, oh, oh, oh, oh
