I don't care what they say....  
I'm going to keep it anyway.  
I won't let them stretch their necks....  
To see my little black egg with the little white specks.

I found it in a tree...  
Just the other day.....  
Now it's mine, all mine....  
They won't take it away.

Here comes Mary, Here comes Lee.....  
I've got what they want to see.  
I won't let them stretch their necks....  
To see my little black egg with the little white specks.

I found it in a tree...  
Just the other day.....  
Now it's mine, all mine....  
They won't take it away.

Oh Father, what can I do?  
The little black egg's gonna tell on you.  
I won't let them stretch their necks....  
To see my little black egg with the little white specks.

I found it in a tree...  
Just the other day.....  
Now it's mine, all mine....  
They won't take it away.

My little black egg.....(repeat and fade)
