What more can I say  
What more can I do  
I am living a lie when I say am over you  
Still falling apart  
I am broking of heart  
Can't make a new start  
After all we've been through  
I can't let go  
I don't know why  
Lord knows I've tried  
See am broken inside  
Here we are  
Once again  
How can these tears still be rolling down my face again  
Here we are  
Once again  
How can these tears still be rolling down my face again

I'm still crying  
I'm I'm still crying over you [x4]  
I'm still crying over you [x4]

Don't tell me you care  
Don't say you will be there  
We've been here before  
I can't take it anymore  
I know when you lie  
Without even trying  
You are back in my life  
And I am back against the wall  
I can't let go  
Don't know why  
Lord knows I've tried  
So I am crying inside  
Here we are  
Once again  
How can these tears still be rolling down my face again  
Here we are  
Once again  
How can these tears still be rolling down my face again

I'm still crying  
I'm I'm still crying over you [x4]  
I'm still crying over you [x4]

And I don't know if I can carry on without you hey hey  
And I don't know if I can carry on without you hey hey  
hey hey hey hey

Here we are  
Once again  
How can these tears still be rolling down my face again  
Here we are  
Once again  
How can these tears still be rolling down my face again

I'm still crying  
I'm I'm still crying over you [x4]  
I'm still crying over you [x4]
