Baby...

We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay

this is over

When I get this feeling, all I wanna' do is feel you closer
Right now is the real thing, maybe we can talk it over
But I all I wanted to say to you is, show me loving I
adore

Baby...

We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing

night baby

Baby...

We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have got that thing, we a wanna' stay willing
We have...

Surrender your love, Surrender your love,

Surrender your love, to me

Surrender your love, Surrender your love,

Surrender your love, to me

Yeah

Surrender your love

Surrender your love

Baby...

We have got that thing, we a wanna' stay willing

We have got that thing, we a wanna' stay willing

We have got that thing, we a wanna' stay willing

We have got that thing, we a wanna' stay willing

We have...
