Child Corpse: Making Christmas

Mummy: Making Christmas

Witches: Time to give them something fun

Withces and Creature Lady: They'll talk about fir yeas to come

Group: Let's have a cheer from everyone. It's time to party

Duck Toy: Making Christmas, making Christmas

Vampires: Snakes and spiders get wrapped up so nicewith spider legs and pretty bows

Vampires and Winged Demon: It's ours this time

Corpse Father: all together, that and this

Corpse Father, Wolfman: With all our tricks we're

Corpse Father, Wolfman, Devil: Making Christmas

Wolf Man: Here comes Jack

Jack: I don't believe what's happening to me
My hopes, my dreams, my fantasies
Hee hee hee

Harlequin: won't they be impressed? I am a genius
See how i transformed this old rat
Into a most delightful hat?

Jack: Hmm, my compliments from me to you
On your most intriguing hat
Consider though this substitute
A bat in the place of this old rat
Huh! No, no, no, now that's all wrong.
This thing will never make a present
It's been dead now for much too long
Try something fresher, something pleasant.
Try again, don't give up

Three Mr. Hydes: All together, this and that
with all our tricks we're making Christmastime

(instrumental)

Group: This time this time
Making Christmas making Christmas
La la la
It's almost here

Group and Wolf Man: And we can't wait

Group: 'Cause when the full moon starts to climb
we'll all sing out

Jack: It's Christmastime
Hee hee hee
