I've got one thing that money can't buy  
Not a car or a house  
It's a guy!  
Look how dependant on me he's grown  
Everything he thinks is his, I own  
'Cause I bought him  
And I own him  
He's mine, all mine, all mine, all mine!

Should I sail away, across the sea?  
When I come home, will he be waiting for me?  
Without my lungs he'd never breathe  
Without my eyes he couldn't see  
'Cause I own him  
And I bought him  
He's mine, all mine, all mine, all mine!

Do you think of me crying alone at night?  
I really enjoy it when we have a fight  
It's a pleasure to feel so used and abused  
Come on little boy, won't you give me the blues?  
Oh oh, take me everywhere with you  
Show me your friends and I'll tell them all too  
You'll never get my claws out of your back  
'Cause I'm like a ball, I'll come rolling right back  
'Cause I own you  
And I bought you  
You're mine, all mine, all mine, all mine!

Mine, all mine, all mine, all mine!

Do you care if I cry when I'm alone?  
I feel so lonely, please come home  
Come on now and treat me cruel  
I really enjoy being made a fool  
I've got all I want in this guy  
Don't touch him boy, or I'll poke out your eyes  
He's like a dog that's on a lead  
I'll never ever set that dog free  
'Cause I own him  
And I bought him  
He's mine, all mine, all mine, all mine!
