And when I open my eyes I see the end of
an ending life Iâ€™ve forgotten how to live.
I keep forgetting, I keep rebuilding.
This is when I say Iâ€™m done.
I havenâ€™t learned.
No one will show me, so I go on my own.
Honestly, Iâ€™m so fucking pitiful.
Donâ€™t tell me what Iâ€™ve heard before.
Destined to walk another day alone.
This day is dying.
This day is fucking dead.
Just shine my way back home.
You can stay if you find comfort.
Donâ€™t speak.
Just breathe instead.
Just donâ€™t leave me alone.
I donâ€™t just need it, I deserve it.
I want what I promised myself.
I want what you promised us all.
Iâ€™m coming to terms.
This is the end of denial.
Sometimes things just fall apart.
Angels laugh above me and demons wait below.
Iâ€™m naked, bare, and broken, ready to go home.
Now I need you more than ever.
And when heaven overlooks me Iâ€™ll need you there to
pick me back up
