Today I killed, he was just a boy
Eight before him
I knew them all
In the fields of dying oath:
I'd kill them all to save my own

Cut me free
Bleed with me
Oh, no
One by one
We will fall
Down down
Pull the plug
End the pain
Run'n fight for life
Hold on tight
This ain't my fight

Deliver me from this war
It's not for me it's because of You
Devil's instant
my eternity
Obey to kill to save yourself

Cut me free...

"I envy the 9 lives that gave me hell.
My path made up by their torn bodies.
Man to man, soldier to soldier, dust to dust...
Call me a coward but I can't take it anymore"

They wait for me back home
They live with eyes turned away
They were the first ones to see
They are the last ones to bleed

"The ultimate high as all beautiful dies.
A ruler's tool, priest's excuse, tyrant's delight...
I alone, Great White Hunter.
I'll march till the dawn brings me rest.
10th patriot at the gallow's pole!"

Cut me free
