Trees have dropped their leaves,  
Clouds their waters  
All this burden is killing me

Distance is covering your way,  
Tears your memory  
All this beauty is killing me

Oh, do you care,  
I still feel for you  
Oh, so aware,  
What should be lost is there

I fear I will never, never find anyone  
I know my greatest pain is, is yet to come  
Will we find each other in the dark  
My long lost love

Oh, do you care,  
I still feel for you  
Oh, so aware,  
What should be lost is there

Oh, do you care,  
I still feel for you  
Oh, so aware,  
What should be lost is there

Safely away from the world  
In a dream, timeless domain  
A child, dreamy eyed,  
Mother's mirror, father's pride

I wish I could come back to you  
Once again feel the rain  
Falling inside me  
Cleaning all that I've become

My home is far but the rest it lies so close  
With my long lost love under the black rose  
You told I had the eyes of a wolf  
Search them and find the beauty of the beast

All of my songs can only be composed of the greatest  
of pains  
Every single verse can only be born of the greatest of  
wishes  
I wish I had one more night to live

A saint blessed me, drank me deeply  
Spitting out the misery in me  
Still a sinner rapes a thousand saints  
Sharing the same hell with me

Sanest choice in this insane world:  
Beware the beast but enjoy the feast he offers

Sanest choice in this insane world:  
Beware the beast but enjoy the feast he offers

All of my songs can only be composed of the greatest  
of pains  
Every single verse can only be born of the greatest of  
wishes  
I wish I had one more night to live

Christabel

"Oh, sweet Christabel. Share with me your poem.  
For I know now, I'm a puppet on this silent stage show.  
I'm but a poet who failed his best play.  
A Dead Boy, who failed to write an ending  
To each of his poems."
