Soon I will be here no more  
You'll hear my tale through my blood  
Through my people and the eagle's cry  
The bear within will never lay to rest

Wandering on Horizon Road  
Following the trail of tears

White man came, saw the Blessed Land  
We cared, you took, you fought, we lost  
Not the war but an unfair fight  
Sceneries painted beautiful in blood

Wandering on Horizon Road  
Following the trail of tears, once we were here  
Where we have lived since the world began  
Since time itself gave us this land

Our souls will join again the wild  
Our home in peace and war and death

Wandering on Horizon Road  
Following the trail of tears, once we were here  
Where we have lived since the world began  
Since time itself gave us this land

Wandering on Horizon Road  
Following the trail of tears, once we were here  
Where we have lived since the world began  
Since time itself gave us this land
