We used to swim the same moonlight waters
Oceans away from the wakeful day

My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever

My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever

Scent of the sea, before the waking of the world
Brings me to thee, into the blue memory

My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever

My fall will be for you
My love will be in you
If you be the one to cut me
I'll bleed forever
Into the blue memory

The siren from the deep came to me
Sang my name, my longing
Still I write my songs about that dream of mine
Worth everything I may ever be

The child will be born again
That siren carried him to me
First of them true loves
Singing on the shoulders of an angel
Without care for love 'n loss

Bring me home or leave me be
My love in the dark heart of the night
I have lost the path before me
The one behind will lead me

Bring me home or leave me be
My love in the dark heart of the night
I have lost the path before me
The one behind will lead me

Take me, cure me, kill me
Bring me home, every way, every day
Just another loop into the hangman's noose

Take me, cure me, kill me, bring me home
Every way, every day I keep on watching us sleep
Relive the old sin of Adam and Eve
Of you and me, forgive the adoring beast

Redeem me into childhood
Show me myself without the shell
Like the advent of May, I'll be there when you say
Time to never hold our love

My fall will be for you
My love will be in you
You were the one to cut me
So I'll bleed forever

My fall will be for you
My love will be in you
You were the one to cut me
So I'll bleed forever

My fall will be for you
My love will be in you
You were the one to cut me
So I'll bleed forever
