Trees have dropped their leaves  
Clouds their waters  
All this burden is killing me  
Distance is covering your way  
Tears your memory  
All this beauty is killing me

Oh, do you care?  
I still feel for you  
Oh, so aware  
What should be lost is there

I feel I will never  
Never find anyone  
I know my greatest pain is yet to come  
Will we find each other in the dark?  
My long lost love

Oh, do you care?  
I still feel for you  
Oh, so aware  
What should be lost is there

Oh, do you care?  
I still feel for you  
Oh, so aware  
what should be lost is there

Oh, do you care?  
I still feel for you  
Oh, so aware  
What should be lost is there
