"One More Night To Live"

Safely away from the world
In a dream, timeless domain
A child, dreamy eyed,
Mother's mirror, father's pride

I wish I could come back to you
Once again feel the rain
Falling inside me
Cleaning all that I've become

My home is far but the rest it lies so close
With my long lost love under the black rose
You told I had the eyes of a wolf
Search them and find the beauty of the beast

All of my songs can only be composed of the greatest
of pains
Every single verse can only be born of the greatest of
wishes
I wish I had one more night to live

A saint blessed me, drank me deeply
Spitting out the misery in me
Still a sinner rapes 1000 saints
Sharing the the same hell with me

Sanest choice in the insane world:
Beware the beast but enjoy the feast he offers
