You're so sexy sexy sexy
I need you're love
I need no hesitation
You're so sexy sex sex sexy
Feel me now and stop the conversation

No no no
Don't stop the desire
No no no no no
No no no
Higher, baby, higher
no no no no no

Sexy

I, I've been waiting so long
Sitting here by the phone
And I really don't wanna be alone at home

I, just don't know what to do
I'm in a mood to make love to you
and I'm dreaming of your body
thats build for two

You're so you're so sexy sexy sexy
I need your love
I need no hesitation
Your so sexy sex sex sexy
Feel me now and stop the conversation

No no no
Don't stop the desire
No no no no no
No no no
Higher, baby, higher
No no no no no

Physical

Dis-moi ce que tu veux
Pense ce que tu aime

Dis-moi tout, je reverais,
Sexy sexy

I, I can't fight what I'm feeling
You got me wrong
Can't you real it
Like in a movie scene
But I know you are real

You're so you're so sexy sexy sexy
Be my lover be my inspiration
You're so sexy sex sex sexy
Physical and logical temptation

No no no
Don't stop, keep it going
No no no no no
No no no
Stop your body flowing
No no no no no

So sexy sexy sexy
I need your love
I need no hesitation
You're so sexy sex sex sexy
Feel me now and stop the conversation
Feel me now and stop the conversation
Feel me now and stop the conversation

You're so sexy
