"Sleeping Sun"

The sun is sleeping quietly
Once upon a century
Wistful oceans calm and red
Ardent caresses laid to rest
For my dreams I hold my life
For wishes I behold my nights
A truth at the end of time
Losing faith makes a crime

I wish for this night-time to last for a life-time
The darkness around me - shores of a solar sea
Oh how I wish to go down with the sun
Sleeping
Weeping
With you

Sorrow has a human heart
From my God it will depart
I'd sail before a thousand moons
Never finding where to go
Two hundred twenty-two days of light
Will be desired by a knight
A moment for the poet's play
Until there's nothing left to say

I wish for this night-time to last for a life-time
The darkness around me - shores of a solar sea
Oh how I wish to go down with the sun
Sleeping
Weeping
With you

I wish for this night-time to last for a life-time
The darkness around me - shores of a solar sea
Oh how I wish to go down with the sun
Sleeping
Weeping

With you
