Who's there knocking at my window?
The owl and the Dead Boy.
This night whispers my name,
All the dying children.

Virgin snow beneath my feet,
Painting the world in white.
I tread the way,
Gonna lose myself into a tale.

Come hell or high water,
My search will go on.
Clayborn
Voyage without an end...

The nightingale in a golden cage:
That's me locked inside reality's maze.
Can't someone make my heavy heart light?
Come undone, bring me back to life!

A nightingale in a golden cage:
That's me locked inside reality's maze.
Can't someone make my heavy heart light?
It all starts with a lullaby...

Journey, homeward bound.
The sound of a dolphin calling,
Tearing off the mask of man.
The tower: my sole guide.

This is who I am:
Escapist,
Paradise Seeker!
Farewell, time to fly

Out of sight
Out of time,
Away from our lies!

(The nightingale in a golden cage:)
(That's me locked inside reality's maze.)
The nightingale in a golden cage:

That's me locked inside reality's maze.
Can't someone make my heavy heart light?
Come undone, bring me back to life!

A nightingale in a golden cage:
That's me locked inside reality's maze.
Can't someone make my heavy heart light?
It all starts with a lullaby...

The nightingale in a golden cage:
That's me locked inside reality's maze.
Can't someone make my heavy heart light?
Come undone, bring me back to life!

(A nightingale...)
