We seduce the dark with pain and rapture  
Like two ships that pass in the night  
You and I, a whore and a bashful sailor  
Welcome to a sunrise of a dirty mind

All you love is a lie  
You one night butterfly  
Hurt me, be the one  
Whoever brings the night

The dark created to hide the innocent white, the lust of  
night  
Eyes so bright, seductive lies  
Crimson masquerade where I merely played my part  
Poison dart of desire

All you love is a lie

You one night butterfly  
Hurt me, be the one  
Whoever brings the night

Choose a bride tonight  
A fantasy for a zombie  
Hurt me, I love to suffer  
Your harem's a dream for free

Come with me underwater  
And drown to despise me no more  
Unholy, unworthy  
My night is a dream for free

All you love is a lie  
You one night butterfly  
Hurt me, be the one  
Whoever brings the night

All you love is a lie  
You one night butterfly  
Hurt me, be the one  
Whoever brings the night  
Whoever brings the night
